DECLARATION OF A QUORUM

ITEM ONE: Consider and approve Consent Agenda.

Motion to approve Consent Agenda – Consent agenda approved by current board members Toole, DerSahakian, Humphreys and Smallwood.

ITEM TWO: REPORT REGARDING AIRPORT LAND SURVEY BY DONALD WADE & ASSOCIATES, INC., GENERAL APPRAISER

Appraisal was for lease purposes of 40-50 acres of south airport property. Appraiser, Donald Wade gave a presentation and copies of his findings regarding market values of airport land and recommendations of lease rates. Recommended lease rates ranged between \$0.10 - \$0.15 per square foot with an emphasis on \$0.12 per square foot and a capitalization rate of 5%. These lease rates are similar to those charged to Air Flite, Inc. Similar airports throughout the state of Oklahoma lease land between \$0.10 to \$0.31 per square foot.

ITEM THREE:

DISCUSSION OF IMPLEMENTING A SYSTEM OF COUNTING AIRPORT OPERATIONS FOR DATA RECORDING AND ANALYSIS

Operations counting would consist of new computer hardware and software that records the CTAF. This would allow SNL to have an accurate account of daily and nightly operations. Computer hardware, software, and installation would total somewhere in the range of \$500 to \$800. The board members recommended such actions take place.

ITEM FOUR:

IMPROVING VISIBILITY OF FUEL PUMP METERS

Mr. DerSahakian recommended the installation of a digital LED display to be placed above the fuel pumps in order for pilots to know how much they are pumping into their aircraft during fueling. Analog displays currently exist but are difficult to read while fueling is taking place. The board members recommended the installation of such display.

ITEM FIVE:

CITIZEN COMMENTS

ITEM SIX:

NEW BUSINESS

The Board discussed the planning stages and other details of the 2013 Shawnee Air Expo. The board made the recommendation of discounting pilots on fuel if they were flying into SNL for the OBU football game.

Terry Toole recommended that airport staff aggressively pursue those with outstanding debts to the airport. This would help “clean up” the AR Aging Report, especially those with outstanding debts that have existed for over 120 days.

ITEM SEVEN:

BOARD COMMENTS

*Nature of the Request:*

To write off old airport hanger accounts

*Staff Analysis, Considerations:*

Staff has reviewed the account receivable list for hanger rental and would like to write-off the ones we deemed uncollectable. We have called, sent certified letters with no response. One of the old tenants has left the country and that one is the largest at \$2,906.25. The total we are recommending to write off is \$3,711.25. Staff has brought this up to the airport advisory board and they agree to write-off the old debt.

*Recommendation:*

Staff is recommending writing off the old debt and we have tightened up collections efforts so that we should not be in this position again.

*Budget Consideration:*
