International Fire Code 2015 (IFC)

IFC 307.1.1 Prohibited open burning.

Open burning shall be prohibited when atmospheric conditions or local circumstances make such fire hazards.

IFC 307.3 Extinguishment authority.

Where open burning creates or adds to a hazardous situation, or a required permit for open burning has not been obtained, the fire code official is authorized to order the extinguishment of the open burning operation.

IFC 307.5 Attendance.

Open burning, bonfires, recreational fires and use of portable outdoor fireplaces shall be constantly attended until the fire is extinguished. A minimum of one portable fire extinguisher complying with Section 906 with a minimum 4-A rating or other approved on-site fire-extinguishing equipment, such as dirt, sand, water barrel, garden hose or water truck, shall be available for immediate utilization.
